

# TABLE TALK CHALLENGE

TWICE A WEEK AT DINNER, ASK YOUR  
FAMILY ONE OF THESE QUESTIONS.

# TABLE TALK WEEK 1

**Q:** What is your favorite holiday activity?

**Q:** If you could start a new Christmas tradition, what would it be?

Your kids' thoughts will change over time. Get an envelope, small box or bag and save your Table Talk cards each month. In a few weeks, pull out some old cards and see how your answers have changed.

# TABLE TALK WEEK 2

**Q:** What is your favorite holiday memory?

**Q:** How can we as a family show love to others this Christmas season?

Once your family has answered the questions on your Table Talk cards, share them with friends. You can connect and share over how different or similar your answers were.

# TABLE TALK WEEK 3

**Q:** What is your favorite Christmas ornament and why?

**Q:** If you could ask Jesus one question, what would it be?  
See if your question gets answered in the next year!

Get together with another family (via Zoom or properly social distanced) and do your Table Talk questions together. This is especially fun to do with cousins so you can see how family values and ideas match up.

# TABLE TALK WEEK 4

**Q:** What brings you joy?

**Q:** If you could bring Jesus a gift on his birthday, what would it be and why?

Have your kids call grandparents or other adults and ask them the Table Talk questions. Have the adults share why they answered the way they did. It's a great way to encourage multigenerational conversations.
