Quick Game to Start: TEN!
Supplies needed:
2 dice per group

Split campers into 6 groups (or complete activity as a class).
1. One camper in each group will roll the first die and count the dots to determine the number.
2. A second camper will roll the second die and count the dots to figure out the number.
3. Add up the numbers on both dice by counting all of the dots.
4. If the sum is ten, have the campers in the group shout out “Ten!”
5. Continue with as many rounds as you have time.
