Say: Welcome back to our final day of VBC! What a great week it has been! Today is going to be a great final day we have ice cream, team extreme, and the shaving cream war all packed into 1 afternoon. We will also focus on showing kindness one more time, but before we start our day together let's make sure we are in our correct small groups and then let's talk about these 3 questions:

You have 3 minutes! Ready Go!

1. Would you rather have a magic carpet that flies or a see-through submarine?
2. Would you rather visit the international space station for a week or stay in an underwater hotel for a week?
3. What has been your favorite thing about camp this week?

Bring group back together after 3 minutes and then remind them one more time of the camp rules.

Reminder Of Camp Rules
Slide- Guidelines For The Week

1. Pay Attention
2. Respect Others
3. Have Fun
4. Stay Off The Stage

Act it out!

Supplies Needed: Strips of paper with one of the kindness stories from the week written on it, random props

How good is your memory? We've spent all week talking about kindness and seeing how Jesus showed kindness in our stories.

Invite 4 groups of 5 kids and 1 youth leader to the stage. Give them each one of the slips of paper with one of the stories written on it. Groups will work on a short skit of this story.

Say: While we are playing a movie review game. These groups will be working on a short skit to show the group of one of the Bible stories we talked about this week at camp. You all in the group will try and guess what the parable is. The skit should be no longer than 1 minute and contains no talking but can have props. In fact we have one random prop that must be included somehow in the skit,

Dismiss 4 groups head out and work on their skit. While they are working on their skit play the movie review game…

Movie Game
Supplies Needed: Whiteboard and markers

Divide crowd into 4 groups and pick one person from each group to be the spokesperson. Give them a whiteboard and marker

Watch movie clip from a popular movie….(your choice)…

Then ask 6 questions and see which group can get the most right. First slide is question, 2nd slide is answer to question 1.

One the each of the spokespeople have written on the whiteboard reveal the answer. Award 500 points for each correct answer.

Question 5-tbd
Question 6-tbd

After the Game

Bring up groups one at a time to act out their skit and see if the group can guess what parable they are acting out.*

After each skit has been acted out quickly review the secrets of each parable below.

Day 1-Jesus and Zach!

Precept-We Are Fearfully & Wonderfully Made.
Jesus loved Zach and showed him kindness when no one else would.
Jesus loves us just the way we are.

Day 2-Jesus Calls Matthew!

Precept-Do all the good you can, by all the means you can
Jesus called Matthew to do some good. Matthew was a tax collector and probably not well liked.
We are called by Jesus to do good!

Day 3-Jesus & The 10 Lepers

Precept-Do all the good you can, in all the ways you can.
Jesus reached out to the hurting lepers and showed them kindness.
Even though we probably can't heal people the way Jesus there are people who are hurting that we can show kindness too.

Day 4-Jesus & The Women At The Well

Precept-Do all the good you can, in all the places you can, at all the times you can.
Jesus spent time with a woman who had no friends He didn't just show kindness one time but instead spent a lot of time with her and her neighbors.
Who can we be a friend to? Is there someone who needs more than 1 small act of kindness?

Say: While VBC may be coming to an end today we don't want to forget the message of kindness!

Let's Pray and head into the sanctuary:

12:50-12:55 Depart for Sanctuary

1:00-1:55-Drama In Sanctuary

Since the Friday schedule is a bit different from the rest of the week, below is one review game to be played with the kids whenever time allows.

Lucky Guess
Supplies Needed: Signs 1-15 taped around the room, one extra number between 1-15 written on a piece of paper and hidden from the view of the kids.

How to play:

1. Divide into 2 teams. Boys on one side of the room and girls on the other.
2. Tell the teams that earlier today you picked a number between 1-15, wrote it on a piece of paper and is now in a safe spot.
3. The teams job is to try and guess which number you the emcee has chosen.
4. You earn guesses by answering review questions correctly.
5. If a team answers a question one member of the team gets to select a number from around the room and bring it back to their team. The other team then does the same.
6. Game continues 1-2 numbers are left. Reveal the number dramatically. If the boys have picked the number they win! If the girls have picked the number they win. If no one picks the number you the emcee wins!
7. Enjoy the game (it can go as fast or as slow as you need it to go depending on the amount of time you have)

3-5th graders will enjoy ice cream, team extreme, and shaving cream at some point in the afternoon.

Final Small Group Activity- (Time TBD)
Choose Kind Posters
Supplies: Poster board (3 per group), Markers, List of VBC precepts.

Say: We've learned A LOT about kindness this week and we've learned that a reminder about being kind is always helpful too. For the next few minutes we are going to divide you into groups of 2-3 people. You will each get a posterboard and some markers. Take some time to create a poster that would reminder anyone walking by that they should choose kindness. You can include VBC precepts, precepts from the Wonder book, or things Jesus said about kindness.

Do a good job because we want to hang these out in the narthex outside the sanctuary this weekend so everyone who comes to church will see them.

As time allows give kids the opportunity to create these Choose Kind posters.

When kids are finished, allow anyone who wants to show their posters to the group to do so. Then collect all the posters and a VBC leader will grab them to hang on the walls of the narthex this weekend.
