COLLECTION

NEW and GENTLY USED books for the Bookmobile!

During VBC 2018 we will be collecting new and gently used books to benefit the Bookmobile Program through Resurrection's Education Ministry.

The Bookmobile program is in need of **3rd-6th grade chapter books.** Please consider the suggested series and genre of book in your donation

Geronimo Stilton *Diary of a Wimpy Kid*

Nate the Great *Magic Tree House*

Lunch Lady *Minecraft*

Percy Jackson *Star Wars*

The Bookmobile Program shares the love of reading with elementary aged school children across Kansas City. The bookmobile and it's volunteers typically visit three schools or organizations a week. Students who otherwise might not be able to have books of their own get to pick two books to keep.

In 2018 approximately 50,000 books will be distributed through the bookmobile so in order to stretch funds the books picked by students include one new and one gently used book.
